## Tasgaonkar Group Of Institutions

Saraswati Education Society (SES), founded in 2003 by Dr. Nandkumar Y. Tasgaonkar, is a public charitable trust dedicated to uplifting society through quality education. Under its umbrella, the Tasgaonkar Group of Institutes has grown into a multi-disciplinary educational hub located in the scenic surroundings of Karjat, Raigad.

### Who We Are

The group comprises institutions offering programs in Medical, Ayurvedic, Nursing, Homeopathy, Physiotherapy, Pharmacy, Engineering, Polytechnic, CBSC School And Junior College. Each institute functions with a unified commitment to academic excellence, practical learning, and student development.

### What We Offer

- A wide range of academic programs across professional fields.
- Modern campuses with advanced laboratories, digital classrooms, hostels, and sports facilities.
- Experienced faculty dedicated to teaching, research, and mentorship.
- A vibrant learning environment that encourages extra curriculums, industry exposure, and community involvements.

The newly introduced electric campus vehicle reflects the institute's commitment to sustainability and student-friendly infrastructure. Designed for smooth, eco-friendly mobility, this modern transport facility ensures easy movement across the campus for students, staff, and visitors. With its safe design, comfortable seating, and zero-emission operation, it stands as a proud step towards a greener, smarter, and more accessible educational environment.

The institute celebrated the birthday of our visionary founder, Dr. Nandkumar Yadavrao Tasgaonkar Sir, honoring his remarkable contribution to education. The presence of Sau. Vandana Tasgaonkar Madam and CEO Parag Ola Sir added inspiration and warmth to the occasion. Heartfelt speeches and cultural performances highlighted the values and legacy that continue to guide us.

Behind every great institution is a vision - one that dares to educate, elevate, and empower. At the heart of the Tasgaonkar Group of Institutions, our leaders carry that vision forward with unwavering dedication. Their guidance has not only shaped infrastructure but nurtured intellect, resilience, and purpose across generations of students. Here's what they have to say as we chart new horizons together.

**Dr. Nandkumar Y. Tasgaonkar**  
Chairman, Saraswati Education Society (SES)

In 2003, we laid the foundation stone of our first engineering college (YTIET) with a single yet powerful belief - that quality education should reach every deserving student, especially those from rural and semi-urban areas. Today, that belief has blossomed into a thriving ecosystem of institutions under the Tasgaonkar Group - spanning Engineering, Medical Sciences, Pharmacy, Physiotherapy, Nursing, Ayurveda, Diploma, and School Education.

But our journey has never been just about infrastructure or numbers. It's about lives transformed, minds ignited, and futures secured. At TGI, education is not merely academic - it's a pathway to character, discipline, innovation, and service.

Looking ahead, our vision expands even further - with the establishment of a Homeopathy College and a dedicated hospital underway, we aim to redefine integrative healthcare education. Our mission is clear: to craft a center of excellence where traditional knowledge meets modern science, and students evolve into not just professionals - but changemakers. To every student and parent who has placed their trust in us - thank you. As we grow together, may your journey be guided by learning, rooted in values, and destined for greatness.

**Mrs. Mrudal Tasgaonkar Kulkarni**  
Director - Corporate,  
Saraswati Education Society (SES)

Education, to me, has always meant discovering your voice, exploring your potential, and daring to dream. At the Tasgaonkar Group of Institutions, I've seen how a nurturing environment can unlock incredible possibilities - in the classroom and beyond.

In my role as Director - Corporate, I constantly ask: How can we better support every student? Whether it's enhancing placement support, building industry alliances, or creating spaces for creativity and leadership - every initiative is designed to empower our learners for life, not just for exams. It fills me with pride to see students transform into confident professionals who carry forward not just skills, but values. We're not just building institutions - we're building futures with heart, care, and courage.

I invite every student to lean into their journey with excitement, to make the most of the opportunities before them, and to remember that they are seen, supported, and capable of greatness.

**Mr. Parag Ola**  
CEO, Tasgaonkar Group of Institutions  
(Chandhai Campus)

It is an honor to lead an institution that exemplifies excellence across every domain of learning - from Engineering and Medicine to Ayurveda, Pharmacy, Physiotherapy, and beyond. At the Tasgaonkar Group of Institutions, our mission is unified: to prepare students not just for careers, but for meaningful, value-driven lives.

We've made strategic strides this year - our Pharmacy College (YTIP) earned a prestigious NAAC A Grade, and our newly launched Ayurveda College (VNTAMV) and Jeevak Ayurved Rugnalaya further reinforced our commitment to holistic health education.

As we move forward, our focus remains on fostering an environment where academic rigor meets emotional intelligence, where innovation thrives, and where every student feels ready to take on the world.

With every achievement, we stay grounded in our core values: transparency, progress, and student-first growth. I promise to continue driving initiatives that create not just employable graduates - but exceptional, responsible citizens

## Sau. Vandana N. Tasgaonkar College Of Nursing

Sau. Vandana N. Tasgaonkar College of Nursing stands as a beacon of excellence in nursing education, dedicated to shaping compassionate, skilled, and socially responsible healthcare professionals. Guided by the vision of delivering holistic healthcare education, the college provides an enriching academic environment supported by experienced faculty, state-of-the-art facilities, and hands-on clinical exposure.

Affiliated with MVHS and recognized by national regulatory bodies, the college emphasizes a balanced approach—integrating theoretical learning, clinical practice, and community outreach. Through workshops, seminars, and health awareness programs, students are equipped to meet the evolving demands of the healthcare sector with confidence, empathy, and professionalism.

## College Brief

Nestled within the serene and well-equipped Tasgaonkar Education Campus, the college serves as a vibrant center for academic and personal growth. Under the dynamic leadership of Prof. Dr. Pinakin Kavdi, Principal, the institution upholds the values of service, integrity, and lifelong learning.

Offering B.Sc. Nursing and GNM programs, the college continues to nurture future healthcare leaders dedicated to promoting wellness, delivering quality patient care, and contributing meaningfully to society.

## Special Events And Observances (August - October 2025)

The second quarter of the academic year was marked by a series of impactful celebrations and awareness programs organized by Sau. Vandana N. Tasgaonkar School & College of Nursing. Each initiative enriched students' academic experience while instilling professional ethics, social awareness, and compassion—under the inspiring guidance of Prof. Dr. Pinakin Kavdi, Principal.

### World Breastfeeding Week (1st - 7th August 2025)

Observed with enthusiasm under the theme “Prioritise Breastfeeding: Create Sustainable Support,” the week-long celebration was coordinated by Ms. Krutika Tidke, Associate Professor and HOD, Child Health Nursing.

The program featured a range of engaging activities including a seminar by Ms. Tidke, skit performances at R.H.R.C. and the college, along with quiz, slogan, and poster competitions. These initiatives emphasized the vital role of breastfeeding in ensuring maternal and child health, inspiring students to advocate awareness and support for lactating mothers in the community.

### Orientation Day For First Year GNM (Batch 2025-2026)

The Orientation Programme for the new GNM batch (A.Y. 2025-2026) was held on 8th September 2025 at the School of GNM. The session began with a traditional Saraswati Pujan, followed by a warm welcome to the incoming students. The event was anchored by Ms. Sonali Shirke (B.Sc. Nursing, 3rd Semester), and the orientation address was delivered by Ms. Nilam Bhosale. Principal Prof. Dr. Pinakin Kavdi shared inspiring words, urging students to approach their nursing journey with dedication, empathy, and a spirit of service. The programme concluded with light refreshments and an atmosphere of excitement and motivation for the year ahead.

## World Heart Day (29th September 2025)

To mark World Heart Day, the college organized an energetic awareness event themed “Don’t Miss a Beat.” The program was coordinated by Ms. Nitisha Lobhe, Clinical Instructor, and anchored by GNM 2nd Year students – Pranav Nagaonkar and Catherine Gidha.

A variety of activities—including quiz and seminar presentations, poster and reels-making competitions, skits, and a yoga session—made the celebration lively and informative. Students learned the importance of heart health, emphasizing regular exercise, balanced diet, and awareness to prevent cardiovascular diseases.

## World Mental Health Day (10th October 2025)

Commemorating the 2025 theme “Access to Services: Mental Health in Catastrophes and Emergencies,” the college conducted an insightful session led by Mrs. Nilam Bhosale, HOD, Psychiatric Nursing and Assistant Professor.

Her seminar highlighted the importance of mental health awareness, emotional resilience, and timely intervention. Students gained valuable insights into the psychological impact of crisis and the crucial role of healthcare professionals in providing care and comfort during emergencies.

## Towards a Compassionate Tomorrow

Each of these observances reflected the college’s unwavering commitment to academic excellence, holistic education, and community service. By combining knowledge with empathy and professionalism, Sau. Vandana N. Tasgaonkar College of Nursing continues to empower students to become confident, caring, and competent nursing professionals—ready to lead the future of healthcare with heart and purpose.

## Yadavrao Tasgaonkar Polytechnic – Chronicle 2025

*“Shaping Minds. Celebrating Milestones.”*

Chronicle 2025 presents the vibrant journey of another enriching academic year at Yadavrao Tasgaonkar Polytechnic (YTP). This edition is a reflection of our shared achievements, campus spirit, and continuous pursuit of excellence. Within these pages, you will find moments of learning, creativity, innovation, and the unwavering guidance of our esteemed mentors. We invite you to relive the highlights of the year and celebrate the growth of our dynamic YTP family.

## About Us

Established with a vision to deliver quality technical education, Yadavrao Tasgaonkar Polytechnic stands as a center of academic excellence under the Saraswati Education Society. With modern facilities, experienced faculty, and a strong focus on practical learning, the institute aims to nurture skilled, confident, and industry-ready professionals. Our holistic approach ensures that students grow not only academically but also as responsible individuals committed to making a positive impact.

## Events & Activities

### Founder’s Day Celebration

The institute celebrated the birthday of our visionary founder, Dr. Nandkumar Yadavrao Tasgaonkar Sir, honoring his remarkable contribution to education. The presence of Sau. Vandana Tasgaonkar Madam and CEO Parag Ola Sir added inspiration and warmth to the occasion. Heartfelt speeches and cultural performances highlighted the values and legacy that continue to guide YTP.

### Dahi Handi Celebration

Festive enthusiasm filled the campus as students formed energetic human pyramids at the Kabaddi Ground. The celebration showcased unity, teamwork, and youthful spirit, making it one of the most lively events of the year.

## Events & Activities

### AARAMBH 2025-26 Freshers' Party

The freshers' party warmly welcomed new students into the YTP family. With music, dance, games, and engaging activities, the event helped students connect, make memories, and begin their academic journey with excitement.

### 22nd Foundation Day of Saraswati Education Society

YTP proudly celebrated the Society's 22 glorious years, honoring its contribution to quality education and visionary growth. The event reinforced our collective commitment to shaping future-ready professionals.

### Garba Celebration

Navratri was celebrated with vibrant traditional attire, spirited dance, and joyful participation from students and staff. The campus lit up with culture, rhythm, and unforgettable festive energy.

### Diwali Celebration

Diwali brought warmth and togetherness to the institute. Beautiful decorations, cultural performances, and the exchange of sweets created an atmosphere of happiness and celebration across the campus.

## Seminars & Workshops

### Civil Engineering Workshop

Students gained hands-on experience and insights into modern construction practices through an interactive workshop focusing on practical applications and emerging industry trends.

### Object-Oriented Programming Seminar

Organized by the Computer Engineering and IT Department, the seminar strengthened students' coding foundations and enhanced their understanding of real-world programming applications.

## Mechanical Engineering Seminar

A knowledge-rich session introduced students to the latest advancements in mechanical design and manufacturing, supported by expert guidance and practical discussions.

## Institutional Achievement

### MSBTE Distribution Center

Yadavrao Tasgaonkar Polytechnic was selected as a Distribution Center for MSBTE question papers, a recognition of the institute's operational efficiency, reliability, and administrative excellence.

## Upcoming Courses

### Fire Safety

### Industrial Safety

These courses aim to enhance student competencies and meet growing industry demands.

## Mentors Who Inspire – Faculty Spotlight

### Prof. Rameshwar Khanpate – Principal, YTP

A seasoned academician with over 15 years of experience, Prof. Khanpate holds a B.E. and M.E. in Mechanical Engineering and is currently pursuing his Ph.D. His leadership, supportive approach, and dedication to student growth make him a respected pillar of the institution.

### Prof. Ravindra Jadhav – Academic Coordinator

With a Master's degree in Science, Prof. Jadhav leads academic administration and heads the First-Year Department. His disciplined guidance and student-centric approach play a key role in building strong academic foundations.

## Faculty Achievements

### Prof. Aditya Saraf – Vice Principal & HoD, Mechanical Department

Prof. Saraf received the State-Level Ideal Teacher Award 2025 from the Be the Change Foundation for his outstanding contribution to education and student development. The institute proudly celebrates this distinguished honor.

### Prof. Prashali Kamble – HoD, IT Department

With over a decade of teaching experience and a strong academic foundation in IT, Prof. Kamble continues to lead with innovation and passion. Her ongoing pursuit of an M.E. and her commitment to student success significantly enriches the department.

## Yadavrao Tasgaonkar College of Engineering & Management

*“Learn, Lead, Succeed..!”*

Affiliated with the University of Mumbai and approved by AICTE, Yadavrao Tasgaonkar College of Engineering and Management (YTCEM) is committed to delivering quality technical education with a strong industry-oriented approach. Established by the Saraswati Education Society, the institute blends academic excellence with holistic development. The beautifully landscaped campus spans acres of greenery and offers world-class facilities, including modern laboratories, transportation services, hostels, sports ground, a swimming pool, tennis and basketball courts, and a well-equipped cafeteria – creating an ideal environment for learning, innovation, and personal growth.

### Campus Beat

*“Stay in the loop - your campus calendar starts here!”*

#### TGI Sports – February 2025

Celebrating athletic excellence with exciting matches, standout performances, and a spirit of sportsmanship that unites the entire campus.

#### Annual Function – March 2025 (First Week)

A vibrant cultural evening where creativity shines through dance, music, drama, and dazzling student talent.

#### Days Celebration – February 2025 (Last Week)

A week filled with themed celebrations – from Traditional Day to Fun Day – bringing joy, colour, and unity across the campus.

#### NSS Camp – January 2025

A dedicated week of community service, leadership activities, and social responsibility, enabling students to contribute meaningfully to society.

### Campus Beat

#### Industrial Visit – February 2025

A practical learning experience that bridges classroom concepts with real industry exposure, enhancing professional understanding and innovation.

#### Convocation – March 2025

A proud milestone as graduates step into the next phase of their lives, celebrating academic excellence and new beginnings.

#### Alumni Meet – March 2025

A heartwarming reunion where alumni reconnect, share experiences, and celebrate the legacy and spirit of their alma mater.

### Events & Activities

#### Induction Program

The academic year began with a structured Induction Program welcoming the new batch with warmth and enthusiasm. Students were introduced to faculty, campus facilities, and various academic and co-curricular opportunities. Engaging ice-breakers and interactive sessions helped them transition smoothly into college life, marking the start of an exciting journey at YTCEM.

#### Dahi Handi Celebration

The festive spirit of Janmashtami filled the campus during the vibrant Dahi Handi event. Students enthusiastically formed human pyramids, showcasing excellent teamwork, energy, and determination. Music, cheers, and cultural excitement created an atmosphere of pure celebration, beautifully blending traditions with youthful vibrancy.

#### Fresher's Party – Aarambh

‘Aarambh’ provided a grand welcome to the first-year students. The evening featured energetic performances, fun games, and lively music that encouraged participation and talent showcasing. Students bonded over dance, laughter, and shared experiences – creating cherished memories and the foundation of lifelong friendships.

## Events & Activities

### Debate Competition (NSS) – Viksit Bharat

The NSS unit organized an impactful debate on the theme Viksit Bharat, encouraging students to share their views on India's path to progress. Participants impressed the panel with their research, clarity, and powerful ideas. The event highlighted youth leadership, critical thinking, and patriotic vision.

### Training & Placement Seminar

The Training & Placement Cell conducted an informative seminar to prepare students for career success. Industry experts guided participants on essential skills, interview techniques, and professional opportunities. The session enhanced confidence and encouraged students to set clear goals for their future careers.

### Coding Club: ALGOVED

“Decode. Develop. Dominate.” ALGOVED is the official Coding and Algorithm Development Club of YTCM. The club fosters programming excellence by offering workshops, coding challenges, hackathons, and peer-learning sessions. It serves as a vibrant platform for tech enthusiasts to sharpen their problem-solving abilities and explore coding beyond the classroom.

## Faculty Spotlights

### Heads of Department

Computer Engineering: Prof. Amit Mhaskar  
Information Technology: Prof. Sakshi Jadhav  
AIML: Prof. Apeksha Pandekar

EXTC: Dr. Raju Sairise  
Mechanical Engineering: Prof. Prashant Kavale  
Cyber Security: Prof. Ravi Rane

### Examination Cell

Exam Cell Head: Prof. Praful Jawarjal

Joint Head: Prof. Swapnil Mukadam

**NSS Unit:** NSS Head: Prof. Prashant Kavale

**Program Officers:** Prof. Ravi Rane    Prof. Apeksha Pandekar

## Yadavrao Tasgaonkar Public School & Junior College

### School Events And Activities (July – October 2025)

The second quarter of 2025 brimmed with enthusiasm, learning, and togetherness as students participated in a series of enriching events. Each celebration reflected the school's mission to nurture discipline, awareness, and holistic growth while creating joyful and meaningful experiences.

### Aashadhi Ekadashi Celebration – 5th July

The sacred occasion of Aashadhi Ekadashi was observed with deep devotion and joy. Students presented soulful prayers, bhajans, and thoughtful skits portraying the spiritual essence of the day. The celebration inspired faith, self-discipline, and reverence for Indian culture and traditions.

## Plantation Day – 21st July

With active participation from students, parents, and teachers, Plantation Day turned into a green initiative that spread awareness about environmental conservation. Saplings were planted across the school premises and nearby areas, instilling in students a lifelong respect for nature and the importance of trees in sustaining life on Earth.

## Krishna Janmashtami Celebration 14th August

The school was filled with festive colours and devotion as students celebrated the birth of Lord Krishna. Through delightful performances, dances, and skits, they depicted the divine tales of Krishna, emphasizing values of love, humility, and righteousness. The celebration beautifully blended spirituality with cultural expression.

## Swachh Bharat Abhiyan – 14th August

On the same day, the spirit of cleanliness and civic pride echoed through the school as students and staff participated in the Swachh Bharat Abhiyan. They cleaned surrounding areas and organized a rally to spread awareness about hygiene and responsibility—upholding Mahatma Gandhi’s vision of a clean, healthy India.

## Mock Parliament Session 23rd September

Encouraging leadership and civic awareness, secondary students conducted a Mock Parliament Session, assuming roles of ministers, opposition members, and the Speaker. Engaging debates and discussions honed their public-speaking, teamwork, and decision-making skills while fostering respect for democratic principles.

## Ayurvedic Awareness Session 30th September

In collaboration with Sau. Vandana N. Tasgaonkar Ayurved Mahavidyalaya, an informative session on Ayurveda enlightened students about natural healing, herbal remedies, and the importance of a balanced lifestyle. The interactive talk encouraged students to adopt holistic wellness practices for a healthier future.

## Mental Wellness Program 6th October

To promote emotional health and resilience, the school hosted a Mental Wellness Program with experts from Raigad Hospital, including Dr. Niraj Zambare and Mr. Akshay Patil. The session introduced students to mindfulness, relaxation, and time-management techniques, emphasizing the significance of mental well-being in everyday life.

## A Quarter of Growth and Gratitude

The quarter concluded on an inspiring note—each event reflecting the school’s unwavering commitment to nurturing responsible, compassionate, and confident individuals. By combining traditional values with modern awareness, the school continues to shape young minds for a brighter, balanced, and harmonious tomorrow.

## Yadavrao Tasgaonkar Institute of Engineering and Technology

### About Us

Yadavrao Tasgaonkar Institute of Engineering and Technology (YTIET), Karjat, Maharashtra, is a distinguished institution committed to delivering quality technical education and shaping future-ready engineers. Established with a vision to promote academic excellence, innovation, and holistic development, YTIET provides a nurturing environment supported by experienced faculty, modern infrastructure, and industry-aligned learning opportunities.

The institute emphasizes a strong foundation in engineering principles while encouraging research, creativity, and hands-on learning. Through workshops, hackathons, seminars, and active alumni engagement, YTIET continually strives to equip students with the skills and confidence needed to excel in an evolving global landscape.

## College News – Upcoming Events

### Hack-Tech-Fusion 2025

YTIET is set to host Hack-Tech-Fusion 2025, an exciting 24-hour Hackathon scheduled from November 26–27, 2025. This dynamic event will bring together enthusiastic innovators and aspiring problem-solvers to collaborate, code, and create impactful solutions across multiple domains. Students will participate in intensive brainstorming and development sessions designed to nurture teamwork, technical growth, and competitive spirit.

## Workshop & Alumni Talk – A Resounding Success

YTIET recently conducted an insightful and inspiring Workshop & Alumni Talk that received an overwhelming response from students. Alumnus Mr. Shashank Rameshwar, Co-Founder and Strategic Leader at Leaping Frog Consulting, returned to his alma mater to share his journey—from engineering student to industry leader. His session inspired TE and BE students by highlighting the importance of innovation, determination, and continuous learning. The talk offered actionable guidance, motivating students to pursue entrepreneurial ideas with clarity and confidence.

## Student Spotlight

Congratulations to All

YTIET proudly congratulates its student who have embarked on an international academic journey after securing admission to the University of East London (UEL) for the MSc in Computer Science program. This achievement reflects academic excellence, dedication, and a strong commitment to professional growth.

## Professor Spotlight

### Distinguished Research Contributions and Academic Leadership

#### Research Publication – Dr. Harish Barapatre

Dr. Harish Barapatre has published his research work titled: “Synthesizing Frameworks for Ensuring Timely and Reliable Data Collection in Dispersed Smallholder Value Chains” in the Enterprise Development & Microfinance journal (Q4), Volume 35, Issue 1 (June 2025), pages 41–60.

Conference Presentation – Dr. Harish Barapatre

Dr. Barapatre also presented his research paper titled: “Fast and Precise Liver Oncology Mapping: An IAROA-Optimised Dilated-Attention UNet Framework for Multitarget Abdominal CT Delineation” at ISAC32025 (Conference #64032), co-sponsored by IEEE. This work has been published in the IEEE Xplore® digital library.

Seminar Delivery – Dr. Prashant Singh

Dr. Prashant Singh delivered an informative seminar on: “Awareness of Journal Publication” on October 6, 2025, at the YTIET Auditorium. The seminar guided students on publication processes, academic writing, and the importance of research engagement.

Events & Activities

Aagman 2025 – Freshers’ Party Celebration

YTIET celebrated “Aagman 2025”, the institute’s vibrant freshers’ welcome event, on September 26, 2025. The celebration featured the engaging theme “Devil & Angel”, creating an enjoyable and lively atmosphere for new students. Reel actresses Shrutik Kolambekar and Sonali Gurav graced the event, adding excitement and charm. Aagman 2025 was a memorable occasion filled with performances, interactions, and a warm welcome to the incoming batch.

Moving Forward

Yadavrao Tasgaonkar Institute of Engineering and Technology continues to stand as a beacon of quality education, innovation, and holistic development. With a strong foundation of academic excellence, skilled faculty, and industry-focused learning, the institute consistently shapes future-ready engineers. Beyond classrooms, students are encouraged to lead, innovate,

Yadavrao Tasgaonkar Institute Of Pharmacy

About Us

The Yadavrao Tasgaonkar Institute of Pharmacy, established under the esteemed Saraswati Education Society, is dedicated to nurturing competent, ethical, and industry-ready pharmacy professionals. Affiliated with the University of Mumbai and approved by AICTE, the institute offers a vibrant academic environment supported by modern laboratories, qualified faculty, and strong industry linkages. With a vision to promote excellence in education, research, and holistic development, the institute continuously inspires students to contribute meaningfully to healthcare and society.

University Results – July 2025

The institute proudly acknowledges the outstanding academic accomplishments of students in the University examinations. The toppers from each year and semester are listed below:

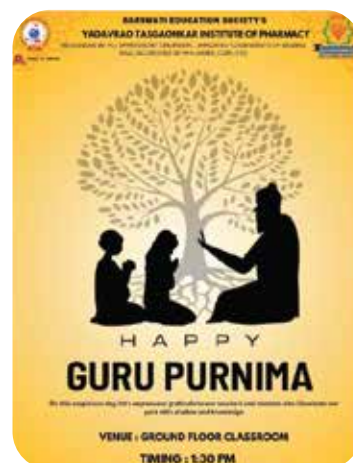

| Year       | Sem  | Rank | Name of Student | CGPA | Grade |
|------------|------|------|-----------------|------|-------|
| Final Year | VIII | 1    | Singh Aprajeeta | 7.99 | B     |
|            |      | 2    | Agrahari Aryan  | 7.94 | B     |
|            |      | 3    | Kaingade Riddhi | 7.81 | B     |
|            |      | 4    | Lingam Kirtana  | 7.74 | B     |
|            |      | 5    | Jadhav Nikhil   | 7.65 | B     |

|             |    |   |                     |      |   |
|-------------|----|---|---------------------|------|---|
| Third Year  | VI | 1 | Ahinave Trupti      | 8.58 | A |
|             |    | 2 | Parmar Tarun        | 8.13 | A |
|             |    | 3 | Rashivate Sminal    | 8.07 | A |
|             |    | 4 | Purohit Rahul       | 8.00 | A |
|             |    | 5 | Thappa Roshan       | 7.93 | B |
| Second Year | IV | 1 | Kanojiya Shweta     | 8.50 | A |
|             |    | 2 | Nayak Swati         | 8.50 | A |
|             |    | 3 | Vichare Manasi      | 8.21 | A |
|             |    | 4 | Bhoir Kajal         | 8.07 | A |
|             |    | 5 | Nyaykar Harshada    | 8.07 | A |
| First Year  | II | 1 | Parmar Riya         | 8.59 | A |
|             |    | 2 | Nilangi Khushi      | 8.55 | A |
|             |    | 3 | Seth Shreya         | 8.38 | A |
| First Year  | I  | 1 | Patil Manasvi       | 8.03 | A |
|             |    | 2 | Seth Shreya         | 7.96 | B |
|             |    | 3 | Bangera Thrisha     | 7.72 | B |
|             |    | 4 | Bhandari Poojashree | 7.68 | B |
|             |    | 5 | Nilangi Khushi      | 7.65 | B |

## Guru Purnima Celebration – 10 July 2025

Guru Purnima was celebrated with devotion, reflecting the essence of the Guru-Shishya tradition. The event commenced with a traditional lamp-lighting ceremony followed by prayers and heartfelt expressions of gratitude towards teachers for their unwavering guidance. Cultural performances and student reflections highlighted the values of discipline, humility, and the transformative power of knowledge. The celebration strengthened the bond between students and mentors, reminding everyone of the timeless importance of teachers in shaping one's life.

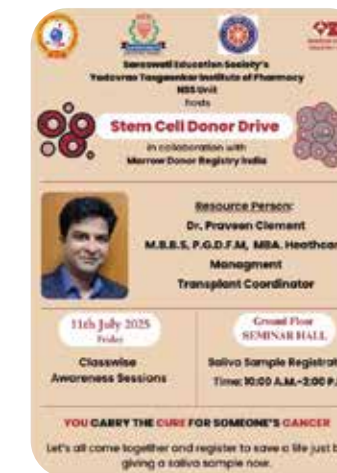

## PCI Visit for M. Pharm Approval – 13 July 2025

The institute marked a significant academic milestone with the successful visit of the Pharmacy Council of India (PCI) for the initiation of the M.Pharm programme from the academic year 2025-26. The inspection committee appreciated the institute's infrastructure, laboratory facilities, academic resources, and faculty competence. This achievement reflects the institute's commitment to academic expansion, research growth, and excellence in pharmaceutical education.

## NSS – Stem Cell Donor Registration Drive II July 2025

The NSS Unit organized a Stem Cell Donor Registration Campaign to raise awareness about the life-saving potential of blood stem cell donation. In collaboration with a recognized organization, students were educated about the process and significance of donation, especially for patients battling critical illnesses.

The enthusiastic participation of students demonstrated the institute's dedication to promoting social responsibility and encouraging youth to contribute to humanitarian causes.

## Alembic Pharmaceuticals Campus Placement Drive – 14 July 2025

The Training and Placement Cell facilitated a campus recruitment drive by Alembic Pharmaceuticals, offering final-year students valuable opportunities in a reputed pharmaceutical organization.

The placement process included a company orientation session, aptitude test, and personal interviews. Students engaged with industry experts and gained insights into corporate expectations and career pathways. The initiative reinforced strong industry-academia collaboration and highlighted the institute's commitment to supporting student career development.

## Founder's Day Celebration – 24 July 2025

Founder's Day was celebrated to honour the visionary leadership behind the establishment of the institution. The programme featured a ceremonial gathering, cultural events, and student reflections on the founder's contribution to education and society.

The celebration encouraged students to uphold the values of dedication, service, and academic excellence, resonating with the founder's original mission and vision.

## Alumni Interaction Session – “Classroom to Career” – 11 September 2025

An enriching alumni interaction session titled “Classroom to Career” was conducted to guide students on industry expectations and professional growth. Distinguished alumni shared their transition from academia to professional life, offering practical advice on resume building, interview techniques, and career opportunities across various pharmacy sectors. The session provided valuable insights and motivated students to prepare strategically for their future endeavours.

## Pharmacovigilance Awareness Programme – 20 September 2025

A Pharmacovigilance Awareness Programme was conducted to educate students on the importance of drug safety monitoring, ADR reporting, and regulatory frameworks. The guest speaker emphasized the critical role of pharmacovigilance in ensuring patient safety and discussed emerging career prospects in this field. The programme enhanced scientific awareness and reinforced the importance of responsible pharmaceutical practice.

## World Pharmacist Day – 25 September 2025

World Pharmacist Day was celebrated with enthusiasm, focusing on the contributions of pharmacists to global healthcare. Students participated in poster presentations, awareness drives, and campaigns emphasizing ethical practice, patient safety, and evolving roles of pharmacists in modern healthcare systems. The event inspired students to take pride in their profession and continue striving for excellence.

## SES Foundation Day – 10 October 2025

SES Foundation Day celebrated the establishment and legacy of the parent trust that supports the institution. Students showcased cultural performances and expressed heartfelt gratitude for the opportunities, guidance, and resources provided by the trust. The celebration fostered a strong sense of belonging and pride among students and staff, reaffirming commitment to the trust’s vision of quality education and empowerment.

**Sau. Vandana N. Tasgaonkar Ayurved Mahavidyalaya  
& Research Center**

## About Us

Sau. Vandana N. Tasgaonkar Ayurved Mahavidyalaya & Research Center, Chandhai-Karjat, stands as a center of excellence in Ayurvedic education, research, and healthcare delivery. Affiliated with the Maharashtra University of Health Sciences (MUHS), the institute is committed to nurturing future Ayurvedic professionals through a balanced blend of traditional knowledge and modern scientific understanding.

The college offers advanced infrastructure including well-equipped laboratories, a fully functional Ayurvedic hospital, herbal garden, specialized departments, and experienced faculty. Emphasizing holistic development, ethical values, and community engagement, the institute fosters an environment that encourages learning, innovation, and compassionate healthcare. Through academic rigor and extracurricular initiatives, it continues to uphold the timeless essence of Ayurveda with a progressive vision.

## College News & Major Programs

### Gurupournima Celebration – Date: 10 July 2025 | Venue: Institute Campus

Gurupournima, one of the most spiritually significant days in the academic calendar, was celebrated with deep devotion and enthusiasm. The event served as a reminder of the priceless role played by teachers and mentors in shaping the lives of students. Organized by Dr. Kirti Gite, the celebration brought together students, faculty, and guests in a vibrant and culturally enriching environment.

The proceedings began with a traditional lamp-lighting ceremony followed by Saraswati Vandana. Chief Guest Vd. Madhura Kulkarni delivered an insightful speech highlighting the importance of Guru-Shishya parampara in Ayurveda. She emphasized how ancient knowledge systems continue to guide and inspire modern Ayurvedic practice. Dr. Sunil Kale and Principal Dr. C.Y. Bangarwar encouraged students to pursue their education with sincerity, humility, and dedication.

A major highlight of the program was a live demonstration of the innovative Viddhagni Karma machine, conceptualized by Vd. Kulkarni. Students had the rare opportunity to witness the technique in action, adding valuable hands-on insight into Ayurvedic surgical therapies. The celebration also included a faculty felicitation ceremony, where teachers were honored for their contributions to academics and student growth. Students expressed gratitude through poems, speeches, and cultural performances. The ceremony concluded with blessings from faculty members, leaving students inspired for the year ahead.

**Exhibition of Anatomy Models**  
**Date: 21 August 2025 | Rachana Sharira Department**

The Rachana Sharira Department organized an innovative and educational exhibition of anatomical models crafted by First-Year BAMS students. Coordinated by Dr. Jitendra Pawar, the exhibition offered students a platform to explore creativity while reinforcing their understanding of human anatomy. Students displayed clay models, labelled 3D structures, artistic diagrams, and conceptual representations of complex anatomical systems. The exhibition enhanced student engagement, teamwork, and conceptual clarity, making it an enriching learning experience for all.

**Cadaver Oath Ceremony**  
**Date: 8 September 2025**

The Cadaver Oath Ceremony is a significant and deeply respectful tradition that reminds students of the ethical values central to the medical profession. Faculty members addressed the students, emphasizing the importance of gratitude, respect, and responsibility towards cadaver donors who contribute immensely to medical education. Students took a solemn pledge to uphold dignity, empathy, and professionalism throughout their careers, marking an important milestone in their journey as future Ayurvedic practitioners.

**Ayurveda Day Special Events**

**Prakriti Parikshan Model Display**  
**Date: 23 September 2025 | Campus Premises**

In celebration of the 10th National Ayurveda Day, the institute conducted an extensive Prakriti Parikshan Model Display aimed at spreading awareness about individual constitution-based healthcare. The exhibition showcased detailed charts, models, and interactive displays explaining Vata, Pitta, and Kapha Prakriti, along with demonstrations on Ahar-Vihar guidelines tailored to different body types. Organized by Dr. Kirti Gite with enthusiastic participation from First-Year BAMS students, the display helped visitors understand how simple lifestyle adjustments can promote long-term wellness. The event successfully blended traditional Ayurvedic principles with practical health education.

**Ayurveda Awareness Rally – Date: 22 September 2025**

A spirited Ayurveda Awareness Rally was organized with the theme “Ayurveda for People and Planet.” Students and faculty members marched through the campus and surrounding institutions, including Yadavrao Tasgaonkar Institutes, sharing messages related to preventive healthcare, natural remedies, and eco-friendly living. Participants carried banners, chanted slogans, and interacted with community members to promote awareness. The event concluded with a thoughtful address and vote of thanks by Principal Dr. Manisha Dunghav. The rally was coordinated by Prof. Devki A. Dhongade and Dr. Kirti Gite, who ensured active student involvement and impactful execution.

**Student Spotlight & Campus Activities**

**Cultural Fest – “VAJRA 2025” – Date: 24-26 September 2025**

“VAJRA 2025” brought color, joy, and cultural vibrancy to the campus. The three-day event featured:

Traditional Day, celebrating India’s cultural heritage

Bollywood Day, filled with fun, entertainment, and creative outfits

Colorful Day, symbolizing unity and youthful energy

## Yoga Sessions

As part of the National Ayurveda Day celebrations, the institute conducted special Yoga Sessions to promote holistic well-being.

**20 September 2025:** A session for all staff members—teaching, non-teaching, and hospital staff—led by Mr. Uttam Tavre, focused on asanas, pranayama, and techniques for stress reduction.

**30 September 2025:** A dedicated session for students encouraged incorporating yoga into daily routines to improve focus, posture, and mental clarity.

**Coordinator: Dr. Manasi Rane**

These sessions highlighted the significance of yoga in maintaining physical, mental, and emotional balance.

## Medical Health Check-Up Camp

**Date: 23 September 2025 | Location: Jumapatti, Neral**

Reaffirming its commitment to community health, the institute organized a medical camp that served 40 beneficiaries from the nearby rural areas. Students and faculty provided basic check-ups, guidance, and health awareness. Such outreach activities strengthen clinical exposure for students while ensuring essential healthcare access for local communities.

## Conclusion

The academic quarter showcased a rich and diverse series of activities that highlighted the institute's dedication to academic excellence, traditional learning, community service, and overall personality development. Each event—from spiritual observances to scientific exhibitions—reflected the core values of Ayurveda and the institute's commitment to nurturing well-rounded professionals.

Together, these initiatives demonstrate the institute's holistic vision—preparing students to become knowledgeable, compassionate, and confident Ayurvedic professionals. Moving forward, the college remains committed to expanding its academic horizons, promoting research, and deepening its engagement with society.

The journey continues with the same dedication: to heal, to educate, and to serve with excellence in Ayurveda.

# Jeevak Ayurved Rugnalaya

## About Us

Sau. Vandana N. Tasgaonkar Ayurved Mahavidyalaya Jeevak, Chandhai-Karjat, is a premier institution committed to excellence in Ayurvedic education, research, and healthcare. Established under the Saraswati Education Society, the institute aims to preserve the authenticity of Ayurveda while integrating scientific advancements and modern learning methodologies.

With well-equipped academic departments, Jeevak Ayurved Rugnalaya, advanced Panchakarma and Kayachikitsa units, experienced faculty, and a strong culture of community outreach, the institute provides a comprehensive learning environment for budding Ayurvedic professionals. The college emphasizes not only academic growth but also clinical exposure, ethical practice, and social responsibility.

Through regular health camps, awareness activities, skill-building programs, and research initiatives, the institute continues to strengthen its mission of promoting accessible healthcare and spreading awareness about the holistic benefits of Ayurveda.

## Major Events & Community Health Initiatives

### Ayurveda Awareness & Health Check- Up Camp

Date: 23 September 2025

Venue: Mangaon Wadi, Jummapatti, Karjat

Department: Kayachikitsa

Organizer: Jeevak Ayurved Rugnalaya

Patients Benefitted: 67

Coordinator: Dr. Priyanka Dorage

On the occasion of the 10th National Ayurveda Day, the institute, in collaboration with Jeevak Ayurved Rugnalaya, organized a comprehensive medical camp at Mangaon Wadi, Jummapatti. The initiative highlighted Ayurveda's preventive and holistic approach to healthcare.

Free consultations, basic examinations, and distribution of Ayurvedic medicines were provided to the community. Interactive discussions were held to educate residents about daily health practices, seasonal routines, and the importance of adopting natural and sustainable lifestyle choices.

This outreach aimed to bring Ayurvedic healthcare closer to rural communities, strengthening the connection between traditional wisdom and modern well-being.

### Ayurveda Heart Health Awareness & Medical Camp

Date: 1 October 2025

Venue: Dhapaya Mandir, Karjat

Departments: Kayachikitsa & Panchakarma

Organizer: Jeevak Ayurved Rugnalaya

Patients Benefitted: 43

Coordinators: Dr. Priyanka Dorage, Dr. Rupali Gaikwad

On World Heart Day, the institute conducted a specialized health awareness camp focusing on Ayurveda's role in cardiovascular wellness. The camp stressed preventive strategies, heart-friendly herbs, diet modifications, and lifestyle routines based on Ayurvedic principles.

Participants received free medical check-ups, pulse examination, and consultation. Awareness talks addressed rising lifestyle disorders and emphasized how Ayurveda's holistic philosophy can help reduce risk factors and improve heart health naturally.

The event successfully reinforced the theme of sustainable healthcare and the importance of early prevention.

### Ayurvedic Health Awareness & Panchakarma Medical Camp

Date: 15 October 2025

Venue: Bhansoli, Karjat

Department: Panchakarma

Organizer: Jeevak Ayurved Rugnalaya

Patients Benefitted: 26

Coordinators: Dr. Rupali Gaikwad, Dr. Shubham Dake

A Panchakarma awareness and medical camp was organized at Bhansoli, focusing on cleansing, rejuvenation therapies, and lifestyle modifications. The camp offered free consultations, medical examinations, and Ayurvedic medicines to beneficiaries.

Educative interactions were conducted to explain the effectiveness of Panchakarma in managing chronic conditions, detoxifying the body, and enhancing long-term health. The camp strengthened community understanding of detoxification therapies and practical wellness routines.

## Conclusion

The series of community health initiatives conducted between September and October 2025 reflects Sau. Vandana N. Tasgaonkar Ayurved Mahavidyalaya Jeevak's commitment to promoting sustainable, accessible, and holistic healthcare. Through medical outreach programs, awareness talks, and preventive health education, the institute continues to extend the benefits of Ayurveda to rural communities while enriching students with valuable clinical exposure.

These efforts underscore the institute's vision of nurturing skilled Ayurvedic practitioners who not only excel academically but also serve society with compassion, integrity, and dedication. The institution remains steadfast in its mission to advance Ayurvedic knowledge while contributing meaningfully to public health and community well-being.

## Dr. N. Y. Tasgaonkar College Of Physiotherapy

### About Us

Dr. N. Y. Tasgaonkar College of Physiotherapy, under the Saraswati Education Society (SES), is committed to delivering excellence in physiotherapy education, clinical training, and community healthcare. Established with the vision of nurturing competent, compassionate, and research-driven physiotherapists, the institution offers a robust academic environment supported by experienced faculty, advanced laboratories, multispecialty clinical postings, and strong industry collaborations.

The college focuses on holistic development—with emphasis on scientific learning, innovation, ethical practice, and community welfare—ensuring that students graduate as skilled professionals capable of transforming lives through movement, rehabilitation, and evidence-based care.

## College News

### Induction & Welcome of New Academic Staff

A welcome program for newly appointed academic staff was planned in September. The Principal introduced the new members, discussed institutional expectations, outlined duties, timetables, and oriented them to college procedures. This session aimed to ensure a smooth transition and strengthen the campus learning environment.

### Guest Lecture on Disaster Management

A special guest lecture by Mr. Rajendra Lokhande, Assistant Chief Director, Disaster Management Department, was scheduled for 20th November 2025. The session further enhanced awareness of emergency preparedness, crisis response, and institutional safety.

### Institutional Picnic

An institutional picnic shall be organized in February after university examinations to promote recreation, team bonding, and stress relief among students and staff.
